

REGIONAL TUITION ASSISTANCE FUND APPLICATION

*** CONFIDENTIAL ***

This form is due by **Friday, March 1, 2024.**

The Regional Tuition Assistance Fund (RTAF) offers assistance for registered parish families who actively support their parish by contributing to the Offertory Collection at Mass. These financial contributions to the parish are crucial for its overall growth and ministry, like the school. The parishes expect any family requesting tuition assistance to contribute weekly to the parish offertory, according to its means.

I understand that RTAF bases tuition assistance on **TRUE NEED**, tuition assistance is intended to provide an opportunity for families who do not otherwise have the means to allow their children to receive a Catholic education, and only **extraordinary** circumstances will be honored for tuition assistance. For this reason, I am writing to request an award from the RTAF for my family for the 2024-2025 school year.

I have completed an application to the Roman Catholic Archdiocese of Washington (RCADW) Tuition Assistance program on TADS. I understand the Regional Tuition Assistance Committee will use this data for consideration of Regional Tuition Assistance.
