An easy \$1,000

Providing top-notch education to our community is vital and keeping it affordable is a priority. An easy way to put money back in your pocket is to refer CHA to those you know. Parents, **you** are our best referral. *Share the "wealth" of knowledge.*

How do I get credit?

1. Talk to those you know about our school and share what you love about being a CHA Lion!
2. Invite a new family to tour the school.
3. **Complete the form in this brochure.**
4. Once the new family's application, registration and enrollment process is completed, and they are attending school and making payments, the referring family will receive \$1,000 tuition credit in increments of \$100 per month.

As new families fall in love with Cardinal Hickey Academy, our community enlarges and our high quality education becomes even more affordable!
